Letter was insulting, says mayor

Altona Chamber of Commerce has told Williamstown council it should give one of its roads to Altona if the council wasn't prepared to make it safer for pedestrians.

Williamstown mayor, Cr. J. M. Byron, said at the council meeting last week that the letter from Altona Chamber of Commerce was insulting in the way it was written.

The road is a half-mile stretch of Kororoit Creek Road between Mobiltown and Willtona migrant hostel.

At its recent general meeting grave concern was expressed for the safety of pedestrians walking along the road.

Flooding of the sides of the road in winter compelled pedestrians to walk on the roadway, the chamber said.

The roadway was narrow, and there was lack of provision for a footpath.

Lighting was also inadequate.

In view of the high incidence of pedestrian fatalities in Melbourne recently, the chamber considered that Williamstown

Council "had been tardy in not grasping the gravity of the situation."

If the council thought no action was necessary it should consider allowing Altona council to annex the area, the chamber said.

Altona council controlled the area until about eight years ago, when Williamstown took over.

Cr. K. C. White said the area had been dormant a long time.

The hostel had been there many years, and probably more migrants were there in the days

when Altona controlled the area.

Council would write to the chamber saying it was planned to begin construction of the footpath in one month.

The council called on the electrical engineer to report on whether there was a need for more lighting.

A letter from Commonwealth Hostels Ltd. said three residents of the hostel had been hit by cars on this road in the past eight months.

OKAY FOR LOANS

Williamstown Council can have an almost "open go" on borrowing up to \$30,000.

The State Treasury has replied to the council on its loan programme for 1971-72.

No aggregate limit would be placed on borrowings that did not exceed \$300,000, provided terms and conditions of the loans were approved in accordance with Loan Council conditions, the Treasury said.

Two court roles

A Yugoslav played two roles in Williamstown Court last week — first as a defendant and then as an interpreter.

The Yugoslav, Mr. Veljko Tasovac, of Osborne Street, Williamstown, pleaded guilty to having driven a car in Douglas Parade, on January 29 after his licence had expired.

He was fined \$30.

Five minutes later he volunteered—at the invitation of the court—to be an interpreter for another Yugoslav who could not speak English.

The second Yugoslav, Mr. Hristo Stavrevski, of Footscray, pleaded guilty to having driven a car

without a licence in North Road, Newport, on January 29.

Through the interpreter he said he had been eight months in Australia. He had a licence in Yugoslavia and did not think he needed another in Victoria.

Mr. F. X. Clancy, SM, said that as there was no evidence that he had an international licence he would have to fine him the statutory penalty of \$100.

Senior Constable J. Evans, of Williamstown, prosecuted.

Pretty 18 year old Denise Coulthard, of Rosella Avenue, Altona, posed for our camera this week. Denise is pictured here outside the Altona Civic Offices where she works. Denise has lived in Altona all her life and is the daughter of Mr. and Mrs. I. C. Coulthard.

ARSON CHARGES

Two 12-year-old boys will appear in the Melbourne Children's Court this week on a charge of having set fire to a house in North Altona.

One of the boys has also been charged with setting fire to the Methodist and Presbyterian

Church Hall in Seventh Avenue, Altona.

Footscray CIB say the hall was destroyed and damage has been estimated at \$28,000.

Damage to the house has been estimated at \$8,000.

The home belonged to a Morwell Prison warder, Mr. Harold Stubley.

The boys were arrested last week after the fires by Senior Detective John Barrow and Detective Bob Molyneux.

COUNCIL WINS CASE OVER DARK SMOKE

In Williamstown Court this week, Altona Council successfully prosecuted Altona Petrochemical Company for emissions of dark smoke from their plant.

A.P.C. was fined \$200 and \$52 costs.

Two other charges about emissions of noise and odour were dismissed by the magistrate, Mr. F. X. Clancy, SM.

A.P.C. chief Mr. Don McMillan said he regarded the prosecutions as "fair, under the circumstances".

Altona Councils health and prosecution officer Mr. J. Mellors said he and the council regarded the prosecution as "successful".

A.P.C. were fined in Williamstown Court 12 months ago for a similar fault.

Mr. McMillan said: "Regardless of the prosecution we are still as dedicated to the improvement of the environmental situation in Altona as we ever were."

He said the company was striving to improve conditions at the plant and control emissions into the air.

He said the company had installed a television camera which scanned the flare 24 hours a day to control the excess light problem.

He said: "To my knowledge there is no machine in the world that will measure and determine the composition of smell."

"If there is one we have a standing order for it".

The emission of smoke on January 22, for which they were prosecuted was the result of a breakdown in the boiler room.

"The magistrate seemed to understand this and did not fine us as much as he could", he said.

He added that a constant daily check was being kept in the surrounding area.

STAR GAZE

It seems there is still pollution in Altona.

After the par last week asking for information on pollution 398 2277 was deluged with calls.

Unfortunately most of the calls were on week-ends.

Please don't call the number after five at night or on weekends.

It is the number of a private home on week-ends.

Could you write your complaints to Gary Smith, Altona Star, 108 Pier Street, Altona, with your return address.

★

Where have all the flowers gone? Age photographer Les O'Rourke was in town this week looking for beauties to grace the covers of the Star and had a difficult time finding any. At other times there are too many. Could any young ladies, who consider themselves photogenic write or ring the Star?

★

To all the horse owners in the area: The council has not introduced stricter by-laws to control keeping of horses in the area yet.

It was a statement by a particular councillor that he intended bringing in stricter controls, after the next elections.

★

With pollution and bad transportation services it's a wonder Farnbach Burnham Real Estate are building a new office. Works are under way for a two-storey building with tenants on the second.

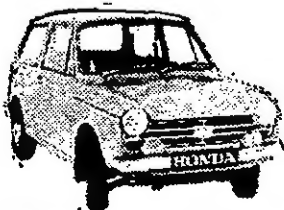

★

If you have been trying to speak to the Clerk of Courts at Williamstown, you have been having some difficulty.

The operator at 013 gives 397 6964 as the number, which was correct until the court house was burnt down two months ago.

The number now is 397 5257, extension 61.

Teachers and students at Seaholme Primary School have acquired a calf for study.

The calf, Tinkerbell, is tethered at the school and is looked after by the students.

The calf was the idea of science teacher, Mr. Stewart. Now seven weeks old, it seems to have won the hearts of both students and staff.

Teachers from the school attended a lecture this week by Mr. Tom Dunstan, the district inspector, in attitude.

Many teachers visited the Educare exhibition at the Exhibition Buildings in the City.

The exhibition featured many educational aids and ideas. The principal, Mr. Edmonds, said the school had placed ideas for some of the items.

Mrs. Sylvia Heath has been appointed to the school as a migrant teacher, relieving Mrs. Nettleton and Mrs. Buckingham who have been helping out.

There are about 40 children at the school who speak little or no English.

ALTONA EAST

The Mothers Club will meet this Wednesday at 1.30.

All mothers with children at the school are most welcome. The mothers club annual bazaar will be held in October. Donations of cash or goods will be gratefully accepted.

Anyone wishing to donate can contact Mrs. Paton at 44 The Broadway, Altona, or leave them at the school.

Results of last week's sporting events:

In football the firsts

On the blackboard

lost 3.7 to 4.4, the seconds won 5.15 to 1.3.

In soccer Altona East 5 defeated the visitors, Altona West 5-1.

In netball Altona East drew 12-all, and in the seconds competition defeated Altona West by one point, 16-15.

ALTONA NORTH

It has been a big week for Mr. Geoff Voce this week. His wife, Elizabeth, presented him with a son, David John, and his appointment as the principal of the North Melbourne school next year was announced.

He will be replaced by Mr. Keith Abbey.

The mothers club will hold a stall in Borrac Square, on July 16, at 11 a.m.

ST. MARY'S

Tickets are now available for the men's smoke night at St. Mary's.

It will be held on July 16, at 8 p.m. at the school. Tickets are available from Mr. Allan Angus, Dick Groves and Mr. G. Muller.

A recent bottle drive held by the school raised \$45, which will be spent

on maintenance and equipment.

The school was successful in the recent sports afternoon against Werribee.

The boys won the football and the girls won two events and lost one in the netball.

ST. LEO'S

The Leo's will lose their Parish Priest Fr. Kierce, this week.

He has been transferred to Greensborough. Father Cokley will take over as of this week.

The children will give Father Kierce a send off tomorrow.

The mothers' club would like more mothers to help in the canteen.

ALTONA NORTH TECH.
Twelve boys from the school were guests of Altona Rotary Club at a luncheon.

The principal, Mr. McInnes, who is himself a member said the boys enjoyed themselves.

Mr. McInnes mentioned at the meeting that he would like to place as many form five boys as possible in businesses at the end of the term.

He said that he would like each boy to try one or

two jobs to see if they would like them.

He appealed to businessmen at the meeting to help by making their businesses available.

Mr. McInnes said he would like the boys to try the jobs for two or three days.

It would not be necessary to pay them, he said.

ALTONA PRIMARY

The contract has been let for the building of the school's new library.

Successful tenderers were Quest Constructors, of Glen Waverley.

In its 1971-72 year the schools Social Service League raised \$263 in cash and \$65 worth of goods for charity.

The school's committee will meet tonight at the school. The meeting is scheduled to begin at 7.45.

Val's Column

Hello Girls,

In this age of shine and gleam, Revlon have introduced Great Glossers, these clear and lustrous lip glossers have become popular fashion leaders. To satisfy more of you fashion conscious ladies, who are constantly looking for the best in color, texture and application — Revlon now introduces Super Sheers — four shades in a new transparent lipstick formulation.

Sheer Mauve, Sheer Topaz, Sheer Bronze and Sheer Burgundy Plum.

Softly deepened shades in new earthy colors to go with your winter wardrobe. With true color, non-staining and with no color change; light and moist for dry lips, it is just right for now.

Have you the problem of makeup changing color after an hour or two? You wear a good quality makeup, close to your skin toning. What's wrong?

Take another look at your toning lotion (astringent). Does it make skin sing, make it flow, feel those open pores tighten — now your moisturiser and makeup go on so much better.

If you feel these, you are using Revlon Liquid Asset. Always shake to mix the two-tone coloring. This is a PH toner (PH is the moisture/oil balance) and an oily skin needs balancing. Liquid Asset controls the acidity of your skin, stops your skin from becoming too oily or dry, and keeps your makeup in harmony with your skin. No color change, no blotches. Looking like you looked when you first made up — can even improve your natural color through stimulation.

Keep control of you color — PH control. Liquid Asset control.

Aquamarine have done it again!

A creme rinse with conditioners and lusterizers, and a creme rinse with body.

If you wish to eliminate snarls and tangles, have easy to comb wet hair, silky to touch hair when dry. — Pink Aquamarine Rinse for hair, Aquamarine creme rinse is enriched with protein body-builders to help fortify fine or limp hair — to give new fullness.

Easy no mix application Girls.

Bye.

WILD WEST' TRIP FOR GUIDES

Girls from the first and second North Altona Guides attended a weekend camp at the Mill Valley Ranch at Tynong North.

The ranch is fitted out 'wild west' style and the girls slept in covered wagons, despite the bad weather.

The girls of Second Altona also had a slumber party this month, and said it was a great night.

Badges last month went to three sisters from the first Altona North Brownie pack.

Janine and Suzanne Bridges won their house orderly badges and their sister, Michelle, won her hostess, thrift, home safety and needlework badges.

From the guides, Leanne Halliwell won her swimmer's badge.

The first Altona Guide company celebrated its anniversary recently and are looking for their history.

The company was formed in 1921 and re-formed in 1953. The girls are now interested to learn more about the history of their group.

Two new girls were welcomed into the company this week. — Jacky Stanley and Anne Churchyard.

Pakistani aid plea by Apex

The international president of Apex, Mr. Brian Horgan, of Melbourne appealed this week to Altona Bournes to raise funds for the relief of Pakistani refugees.

On his return from India, Mr. Horgan said the scenes at the refugee camps was incredibly appalling.

Apex has made \$5000 available from its Emergency Relief Fund for immediate work.

Donations may be sent to Mr. George Killingback, president of Altona Apex.

BOATING RISKS

Each year many lives are lost in boating accidents on Port Phillip Bay and on coastal and inland waters throughout Australia.

The majority of such mishaps occur when boats become swamped with water, due to accident or more frequently as a result of sudden change in weather conditions.

Invariably in such an emergency one or two things happen — the boat floods and sinks, or if the boat is fitted with under floor buoyancy, and most boats are, it floods and will turn over due to the position of the buoyancy tanks.

This leaves the occupants with the alternatives of swimming for their lives or trying to cling to the smooth glass bottom of the overturned boat.

Being aware of these dangers, the technical development team of Delta-Craft embarked on a R. & D. programme to eliminate this hazard.

The result of this programme is the Delta "Posi-Float" buoyancy system.

It also provides for stability, such that at least one person can move around the cockpit in rough water conditions.

This allows the occupants to bail out the water and restart the motor ensuring complete recovery without outside assistance.

To illustrate the benefits of the "Posi-Float" buoyancy system a demonstration will be held on Friday, July 2.

The time and venue for the demonstration is 10.30 a.m. at the Beaumaris Motor Yacht Club.

Smoke night

Boxing referee Terry Reilly will be the guest speaker at the St. Mary's smoke night on July 16.

Tickets for the evening are available from Alan Angus, Geoff Duggan or G. Muller.

Refreshments and supper are included in the ticket price of \$3.

QUESTIONED

Three women have been detained and another three questioned about shoplifting in Altona's Pier Street shopping centre.

Police said the women had been detained by female shop detectives.

One of the women had goods from three other shops.

Busy week for seniors' club

Highlight of the week for the Altona Elderly Citizens Club was a visit from the girls of the Mount St. Joseph's School.

The rest of the week — though cold — was filled with laughter and entertainment.

The Tuesday and Thursday cards and games afternoons were well attended.

Mrs. M. Stringer and Miss Lesley Hyde delighted their audiences with a duet of Irish and Scottish numbers.

Other members who entertained were Mrs. R. Drysdale, Mrs. E. Edwards and Mrs. P. O'Neil.

The birthday cake was cut by Mrs. Fontaineau, the club's oldest member, who celebrated her 90th birthday this month. Special effort winners were Mrs. A. Green and Mrs. M. Pimpini.

DRIVER OF SEAWEED EXPRESS

District people have nicknamed the Altona train Seaweed Express.

But its driver, Mr. Ron Rayson thinks the train is far from weedy.

He said: "It has 12,050 volts of electricity. It kills you if you touch the wrong things."

Mr. Rayson has been driving trains since 1950.

He came to work at Altona 10 years ago and took over from Mr. Jimmy Douglas, who drove the Altona train for 22 years before him.

CHAMPION

He said: "He was a champion chap and he must have loved the work to stay for so long."

Mr. Rayson always finds a group of curious little boys peeping at him

as he takes the driver's seat.

He said: "Kids drive you silly sometimes with all their questions. They want to get in and drive with you."

But Mr. Rayson understands.

He says he was always fascinated by trains. His father and his son worked in the railways.

SPARKS

He used to drive steam trains before switching "on sparks."

In those days he wore a cap and overalls and had

to fill the old steam train with coal.

He said: "I've enjoyed every minute of work and made a lot of new friends when I was stationed at different places every few months."

I've been working at Bendigo, Ultimo, Echuca, Deniliquin, Warragul and Moe.

"The only hard thing about the job is concentration."

"You have to be on your toes all the time and watch the signals."

"You have to look out for cars crossing your tracks. At an average speed you can only break at a distance equal to the length of your trains."

STEAM

Mr. Rayson feels sentimental about the old steam trains he used to drive.

He said: "When they went out, they were chopped up and sold as scrap metal."

"You didn't like to see them go."

"Time goes very quickly on my job, too quickly in fact. It only seems like yesterday that I started."

"I used to earn 11 pounds a fortnight when I started work in 1940."

"During the war I worked up to 120 hours a fortnight."

"But you work out in the fresh air and not

always under the same conditions.

It's a good life. I've been off only a couple of weeks and have about 12 months sick pay accumulated."

Mr. Rayson talked about the new Japanese trains which have air operated doors and heated carriages.

He said: "They're experimenting with them at the moment. We'll get them by next year."

DARK

"They are safe, because the doors are locked between stations and nobody could fall out or jump on. A lot of people get killed who do."

"The doors will be controlled from the driver's compartment and nobody

moves until he sees that all is clear."

Mr. Rayson said: "I couldn't stand a nine to five job. In winter, other people get up and it's still dark and go home when it's already dark."

"I like to have part of the day to myself, mow the lawn, go fishing and rabbiting. You can do this on shift work."

"I start working at 5.10 a.m. pretty often, but I can wake up without an alarm."

"I've never been late, touch wood."

"It's just as well, because the other stations have standbys, but on our station the train just doesn't run unless I'm here..."

CHAMPION WINES FOR ROYAL SHOW

The 1971 Championship Wine Show will be conducted in conjunction with the Royal Melbourne Show, which opens on September 16.

By arrangement with the Federal Wine and Brandy Producers' Council of Australia, the Australian Championship Wine Show is held at the Royal Melbourne Show every three years, and Champion Prizes are awarded to the best exhibit of wine in each of the Open Classes.

Royal Show Director, Mr. H. T. C. Woodfull, said that including wines, ciders, spirits, liqueurs and aerated waters, there will be 152 classes in the section this year, and championship certificates will be awarded in the following:

Open Classes (Art 1)
(Any vintage, quantity 400 gallons).

Class 18 — Dry White,
Hock.

Class 19 — Dry White,
Chablis or White Burgundy.

Class 20 — Medium
Dry White, Moselle, not exceeding half degree baume.

Class 21 — Sauternes,
not less than 1.5 degrees baume.

Class 22 — Rose (Dry).

Class 23 — Dry Red,
Claret.

Class 24 — Dry Red,
Burgundy.

Open classes (Part 2)
(Any vintage, quantity 200 gallons).

Class 25 — Sherry,
Pale, Dry, Fino style.

Class 26 — Sherry,
Amontillado style.

Class 27 — Sherry,
Oloroso style, not exceeding 3 degrees baume.

Class 28 — Sweet
White, any baume.

Class 29 — Muscat,
any baume.

Class 30 — Tawny
Port, not exceeding 6 degrees baume.

Class 31 — Vintage
Port, not exceeding 6 degrees baume.

Mr. Woodfull said besides the championship awards in the whole section, six main trophies will be awarded.

These are:

The W. W. Senior Memorial Trophy (contributed by the Wine and Brandy Producers' Association of Victoria) for the best dry red wine, whether claret or burgundy, in the open class.

The Francois de Castella Trophy (presented by the Wine and Brandy Producers' Association of Victoria) for the most successful exhibitor in all wine classes (Classes 1 to 48).

The T. C. Seabrook Trophy (presented by the Federal Wine and Brandy Producers' Council of Australia) — Best dry white wine in show (not exceeding half degree baume.)

The J. M. Fornachon

Memorial Trophy (presented by Federal Wine and Brandy Producers' Council of Australia) — Best sweet white wine in open class.

The Jimmy Watson Memorial Trophy — Best 1970 vintage claret or burgundy in Classes 13 and 14.

The Sheppard wine Tankers (SA) Trophy — Best rose in Open Class 22.

The entries close in this section at 4.30 p.m. on Wednesday, July 7, at the R.A.S.V. offices, Royal Showgrounds, Epsom Road, Ascot Vale, 3032.

The presentation of awards will be made in the British Tobacco Pavilion at the Royal Showgrounds on Thursday, August 19, at 11.30 a.m.

Eye defects

The Lions Club of Williamstown will be conducting a free eye test for children on Saturday, July 14, at the Town Hall.

These tests will be for children from four to six years.

Qualified orthoptists will test for Amblyopia — or lazy eye.

This defect is prevalent in children and must be treated at an early age to prevent permanent weak eye-sight.

Circulars to parents are being distributed through schools and pre-school centres and shops are displaying posters advertising the tests.

A similar survey held recently at Strathmore was highly successful and 500 children were tested.

LITTLE ATHS.

Little athletics held in Footscray Park last week produced fast times.

Results of the meeting are as follows: Girls under-9 1000 metres, L. Taylor (4.32), M. Ross, J. Hollingshead. Boys under-9 2000 metres, M. Payne (8.24), M. Graham, C. Hurwood. Girls under-10 1000 metres, M. Lewin (4.00), J. Graham, L. Cochrane. Boys under-10 2000 metres, M. Taylor (8.07), B. Humphries, S. Trevasni. Girls under-11 2000 metres, M. Barlow (8.37). Boys under-11 3000 metres, B. Kennedy (12.19), D. Culliver, M. Humphries. Boys under-12 3000 metres, G. McNay (11.54), G. Cotter, J. Graham.

SID'S GOT A PROBLEM HE'S GOT A SPARE TYRE

Matter of fact he's got a few spare tyres. He's got 640 13's, 560 13's and 560 15's all waiting for you weight watchers.

He's practically giving his tyres away at \$13.95. Why not drop in and see Sid at the Altona Gate Service Station Cnr. of Miller Road and Civic Parade, Altona or give him a call on 398 1427.

(P.S. We can't mention the brand, Bob Jane wouldn't like it).

Cross country competitions

Next Sunday Altona's little athletes will compete in the Inter-centre cross country competition at Melton.

All children registered with the centre last year are eligible.

The meeting will commence at 12 noon.

Last Sunday the Westona Club held a cross country championship run at Cobbledick's Ford, near Werribee.

Winners were: under-9 D. Rice, G. McWilliams; under-10: J. Rice, S. Green; under-11: J. George, S. Bazga; under-12: R. Osborne.

A big event for the Westona Club will be slide night at 21 Harrington Square at the home of Mr. George Cameron.

Mr. Cameron, of the Altona North Club will show slides taken at the recent

Classy band

The Altona City band is playing in a class below themselves, an adjudicator decided at a recent competition.

Altona were narrowly defeated by Nunawading in a competition conducted by the Victorian Bands League.

The band topped the popular number section and were second in the own choice section and the march.

They finished with a total of 142 points against Nunawading's 144.

Altona band are now looking forward to the Royal South Street Competition in Ballarat in October.

ANNUAL BAZAAR

The Altona Primary School Mothers' Club will hold their annual bazaar next Saturday afternoon at 1.30.

It will be quite an afternoon for the family. There will be food, soft drinks, and home made cakes for sale.

There'll also be sewing, lucky dips, jumbled odds and ends and children's rides.

The special effort for the afternoon will have a pop-up toaster for first prize.

Standing room only

There was standing room only at the annual Guide and Brownie service at the Altona Baptist Church last weekend.

Speaker at the service was Reverend R. J. Reynolds, who talked about "Knowing where you are going in life."

Next Sunday the Baptist Girls Fellowship will conduct their annual service.

Speaker will be Miss L. Scott, vice-president of the BGF in Victoria.

She is also the convener of activities in Victoria.

These activities include walkathons and sports during school vacations.

The youth group will meet at 19 Mulga Street tomorrow night at 8 p.m.

The speaker will be Mr. L. Rowston, a trainee minister at the Victorian Baptist Theological College who will lead the discussion "Is the Bible trustworthy?"

WESTGATE PUBLICATION

Crocheted gown...

Desa Popovic chose a charming crocheted gown with matching bonnet for her marriage to Harry Acaster at St. Andrew's Church, Footscray, on May 22.

Desa is the only daughter of Mr. and Mrs. V. Popovic, of Lawrence Crescent, North Altona, and Harry is the only son of Mr. and Mrs. R. Acaster of England. The bride was attended by

Miss Jenny Zerafa. Best man was Mr. Mike Popovic, brother of the bride. A reception was held at Highway Inn, Ballarat Road, Sunshine. Picture by Mudford Studios.

Hockey star marries

State hockey player, Ross Ford, and Patricia Grierson were married at St. Mary's Roman Catholic Church, Altona, recently.

Best man and groomsmen were Bruce Forrester and Kevin Bugden, two of Ross' team mates.

Matron of honor was Mrs. Margaret Peachey, assisted by Miss Pauline Martin.

The bride's dress was topped with guipure lace and she wore a matching full-length coat.

The bridesmaids wore purple and green shantung

skirts topped with purple chiffon blouses. They carried purple flowers.

The reception was held at Talbot House, Williamstown.

STAMP NEWS

July 15 at 8 p.m. is the date and time for the next meeting of the Williamstown Philatelic Society.

At a recent meeting of the society, a member of the Victorian Philatelic Society showed a collection of United Nations and Australian stamps.

Anyone interested in joining the society is invited to write to Diana Hinmarch, P.O. Box 16, Williamstown 3016.

WIVES MEET

The next meeting of St. Eanswythe's Young Wives will be held at the parish hall on Tuesday, July 13, at 8 p.m.

Members are asked to bring along a dish and spoon for the casserole and a small wrapped article for a dutch auction.

Altona office for Star to give better service

The Star is opening an office in the Kiema Press building, Pier Street, on March 22.

The move is intended to provide readers with an even better news coverage, and advertisers with a more streamlined service.

The office will be open two days a week, on Mondays and Tuesdays.

Mr. Gary Smith will be in charge, handling items submitted by club correspondents, general news items, reports on 21st birthdays, engagements, weddings — anything that Star readers care to submit.

On the advertising side, Gary will assist clients with copy for display and classified ads. For those who wish, copy will be accepted at Westgate Publications, 260 Barkly Street, Footscray.

The management welcomes the opportunity to establish a more personal contact with the people of Altona. It is confident the co-operation we receive will lead to a bigger and better newspaper.

Fire alarms will become history

A couple of generations ago the proudest of all horses — the fire brigade horse — gave way to motor vehicles.

Now the most dramatic of community equipment, the street fire alarm, is to give way to household telephones.

In the Metropolitan Fire Brigades Board's budget of \$10 million a year, the cost of street alarms is \$100,000.

But the saving will be only \$8500 a

year, on present costs as the alarms will be phased out over a number of years.

This information has been given to Williamstown Council by the member for Williamstown, Mr. Larry Floyd.

All alarms would not be removed together and some might not be removed at all, Mr. Floyd said.

A start would be made by not replacing the alarms frequently damaged by traffic, and those where phone density was sufficient.

Some would be left where there was a big migrant population.

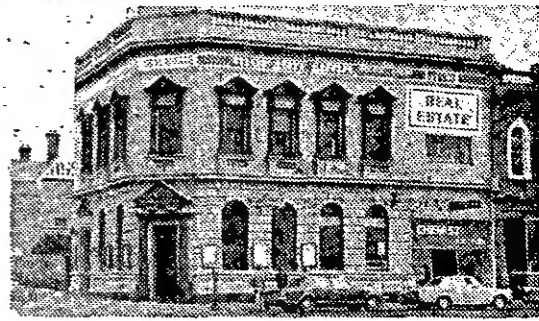

Mr. Floyd said the Fire Brigades Board emphasised that while the gradual elimination of alarms would mean that the board would be \$8500 better off, rising costs could easily absorb this amount later.

But finally the board's contributors insurance companies and municipal councils, would not have to pay for alarms to be kept in operation.

Pictured at the HMAS Anzac's annual ball at the Altona Central Reception are: back row from left — Jeff Marshall, Wally Evans, Ian Brown, Frank Godleman. Front row, from left — Val Tomkins, John Tomkins, Leo Shulz, Sue Shulz. Photograph by Kenneth Roper, West Footscray.

Sailors swing in Altona

The HMAS Anzac held its annual ball in Victoria for the first time last week.

Normally — as with other Royal Australian Navy ships, — the traditional ball is held in Sydney.

Well known writer John Wright explained that because the Anzac was a Melbourne based ship, it was felt the ball would be held in Melbourne to give the men a chance to invite their wives and girlfriends.

He said the ship's complement was pleased with the ball's venue, Altona Central Reception.

"We will certainly recommend the place to any

visiting naval vessels," he said.

"In fact, our captain said that it was one of the best balls he had been to."

Captain Ian Callaway joined the Anzac only recently and the ball was his first opportunity to meet his men socially.

Money for the ball comes from the ship's welfare ship.

The pop group, Midnight Lace, provided music at the ball.

Debutante ball planned

The first debutante ball of St. Luke's the Physician Church will be held on July 30.

The Mayor and mayor-elect of Altona will officiate at the function which will be held at 26 Nicholson Street, Footscray at 8 p.m.

Those who wish to obtain tickets, at \$10 a double, should contact president of the Church's ladies' auxiliary, Mrs. D. Baker on 391 1097 or secretary, Mrs. L. Wilson on 391 5195.

THREAT TO JOBS OVER WASTE

Williamstown and Altona tips are two of several in the metropolitan area refusing to take liquid waste, transporters of this waste have said.

If arrangements could not be made to dispose of liquid waste many factories would have to close down within two weeks they say.

But yesterday the Minister for Local Government, Mr. Hunt, told Williamstown Advertiser and Altona Star reporters

he had called for the tabulating of all tips in Victoria.

He said he wished to know which tips could take liquid waste.

Many tips were unsuitable to take waste which had a toxic or noxious content, he said.

The action of the controller of these tips were understandable.

NO POLLUTION

Other tips, however, could receive waste without causing pollution, he said.

The transporters of the waste said some tips adopted a middle course and took liquid waste only

from factories in their own municipality.

Under the Health Act, every council is obliged to take domestic and industrial waste from its ratepayers, but not from anyone else.

The secretary of the Victorian Employers Federation, Mr. I. O. Spicer, said, "The situation is extremely serious.

"There is no doubt if liquid waste is not collected, there will be a rapid shut-down of many industries.

"Tens of thousands of jobs would be affected as most big factories have some type of liquid waste they must get rid of."

FURNITURE

All Classes, Radiogram, Pianos, Hardware, etc., wanted to buy with cash. Immediate attention. Valuation without obligations. All suburbs and country covered. Ring 68 6665 or write "Auctioneer," 180 Victoria St., Footscray.

Lead poison warning

The Commission of Pub-
lic Health has reported
that an amateur wine
maker was recently poi-
soned when he drank wine
he made in his bath.

The enamel of the bath
contained lead and this
passed into the wine.

The winemaker was
admitted to hospital with
severe pains in the abdo-
men, and was later found
to have lead poisoning.

Lead is only one of the
metals that can poison
fermented drinks when
these are not made in pro-
per containers.

For safety, home-made
fermented drinks must be
made and stored only in
vessels of glass, wood,
stainless steel, plastic, or
concrete-lined with para-
ffin wax.

HOUSEBREAKER SOUGHT

Footscray CIB is in-
vestigating a house-
breaking and steal-
ing in Millers Road,
North Altona.

The offender stole 30
50-cent pieces from a
china teapot, \$2 out of a
glass bottle, \$5.00 from a
wooden telephone box and
\$4.60 from a purse.

Police say the offender
forced a door to gain
entry to the premises. He
urinated on the floor be-
fore leaving.

STUDENT VISIT

The Department of Im-
migration will sponsor 276
students from Britain and
Europe on group visits to
Australia this year, the
Minister for Immigration,
Dr. A. J. Forbes said last
week.

Dr. Forbes said that the
132 students from Europe
would come from 10 dif-
ferent countries. They
were studying a variety of
subjects and would work
in their appropriate fields
with firms in all parts of
Australia.

Additions and Alterations
Phone 314 6815.

What's your line?

One of the biggest problems facing school leavers is that of knowing what to do for a career.

Williamstown Rotaract Club will have a careers advisory evening on August 3 at the Williamstown Technical School.

Admission for the meeting to be held from 8 p.m. to 10 p.m. is free.

The Rotaract Club was formed one year ago and celebrated its first anniversary with a dinner dance at Shirley Park Reception.

It's aim is to be a community service organisation and as part of this concept it has carried out such projects as bagging and delivering wood to pensioners, painting a house, sponsoring two Miss Williamstown Quest girls, taking orphans to the zoo and organising a Christmas party complete with Father Christmas.

The new committee for the year 1971-1972, is pre-

sident, John Whittington, vice-president, Doug Shields, secretary, Vivienne Parker, treasurer, Marilyn Green, vocational director, Rick McLean, International director, Peter Kofoed, community service director, Ian Jenkins.

Arts and crafts at Royal Show

The prize schedule for the Arts and Crafts Section of the Royal Melbourne Show, now available, records a number of changes from previous years.

Mr. H. T. C. Woodfull, director of the Royal Agricultural Society of Victoria said today that the changes in classes have been recommendations from the Arts and Crafts Committee, adopted by the council of the RASV and listed these as follows:

KNITTING

Class 42 (New) Machine Knitted Ladies Pullover.

NEEDLE LACE SECTION

Class 60 (New) Any hand-made lace article - excluding knitted or crocheted.

ART CRAFTS SECTION

Class 115 (Change) Article or earthenware or stoneware pottery; hand-made (not more than 30 inches high).

Class 116 (Change) Article of earthenware or stoneware pottery, made on wheel (not more than 30 inches high).

Class 121 (New) Lapidary - any article.

ART AND APPLIED ART SECTION

Class 143 (New) Miniatures.

Best for tyres

The average motorist who fits new tyres to his car during the winter months will earn himself a bonus of an extra 1000 to 2000 miles more tyre life. This has been stressed by Mr. Dick Merriman, technical superintendent of Goodyear, Australia's largest tyre and rubber company.

Mr. Merriman explained that tyres wore quicker in the summer months because of the heat-friction factor, and new tyres fitted in the hot months without having time to become properly "seated" or bedded in, generated more friction and wore out faster.

This had been proved in every country where there were extremes of temperature such as we encountered in Australia, said Mr. Merriman.

Tyres fitted in the winter have time to be "broken in" before the summer months, provide less drag or heat build up, and accordingly increased their lives considerably.

Another advantage of fitting new tyres in the winter months, said Mr. Merriman was they had the maximum tread and traction to counter the hazardous frost or ice conditions.

STAMP SHOW

A Victorian Philatelic Society member attended the June 17 meeting of the Williamstown Philatelic Society and displayed United Nations exhibition and Australian flawed stamps.

The next meeting of the society will be held on July 15 at 8 p.m.

Odor annoys headmaster

The headmaster of Altona High complained this week that his school was suffering from large amounts of airborne pollution.

He told the Star he had felt nauseated as had his office staff and many of his students.

He said when he felt ill he visited each class in the school and noticed that the smell was particularly strong in the middle and eastern sections of the school.

Students complained of headaches, eye, nose and

throat irritations and nausea.

He attributed the smell to air which was drawn into ducting which heats the school.

"We can't turn off the heating on cold mornings like these," he said.

He said the smell did not encourage teachers to come to an otherwise pleasant suburb to live and work.

happen to anyone

Mr. Ivan Lesinjani, of Blackshaws Road, Newport, was minding his own business.

It was 5.30 p.m. one day last week and Mr. Lesinjani was walking through The Circle, East Altona.

He had bought a newspaper and he just wanted to read the news.

Then suddenly he was in the news.

A car pulled up. A youth got out and stopped him. The youth said something, tripped him and punched him in the face.

There wasn't any apparent reason for it, Mr. Lesinjani said.

But, of course, it could happen to anyone.

FIRM HOLD ON SOCCER TITLE

Altona further improved their chances of winning the division 1 premiership this week by defeating Preston 2-0.

Both teams are hard on the heels of league leader, Elwood, and thus was a good win by the Maroon's, whose defence was out-standing.

Hans Vanderpole proved he is the best goalkeeper in Division One by making several great saves.

When he dived at the centre forward's feet to stop what appeared certain goals, full-backs Copley and Murray closely followed by captain Ian Hynes gave full support with timely tackles and strong heading away.

When Preston attacked, Alex Straubinger and Tommy Kream were hard working link-men. They chased, harassed and snapped at the heels of opposing players.

This is what is needed to win games.

After a slow start Jim Baylich came on strong.

The Altona forwards were up against a strong defence.

Herman and Corisidis make no impression on the left and it was on the other side the Maroons broke through.

Micevski, Kean and Straubinger eluded the full-back, crossed inside to Reid, who stopped the ball darted past two defenders and volleyed the ball home to put Altona one goal up.

Preston came back hard.

They knew they had to win this game and it was a do or die effort, but Altona's defence held firm.

Truly inspired play and one which could be rewarded by winning the coveted Division One premiership.

Corisidis, Herman and Micevski worked hard all day and were constantly running up and down the ground, one minute attacking, the next defending.

The second half was where they separated the men from the boys in a real ding-dong go.

Both teams threw themselves into the battle. Alex Straubinger, the Blond Bombshell was a hero.

The 16-year-old was magnificent.

Never say die was his motto.

He did a David and Goliath act as he subdued his.

KOORINGAL GOLF

Results of the last round of Koorlingal golf: Mrs. W. Sandilands (14) 72 net won the medal; Mrs. M. McAuliffe (23) 76 won the B division competition and Mrs. J. Blackie won the C division with 31 off a 73 net.

Other winners were Mrs. J. Blackie and Mrs. J. Parkinson.

WSFL loses to Bacchus Marsh

The Western Suburban Football League went down to Bacchus Marsh Football League in an inter-league game at Bacchus Marsh on July 4 for the A. F. Mason Cup.

Final Scores: Bacchus Marsh 20.10 (130) Western Suburbs 15.15 (105) Best: R. Zappart (Altona), M. Lawrin (Central Altona), J. Langen (West Newport), K. Collins (Central Altona), S.

giant of an opponent. Copley, Micevski and Kean saw the Kimsres boys slowly but surely take over and once again it was Ian Reid who smacked home the second goal.

This time he worked the double act with Steve Herman.

Ian is a prolific goal scorer, he only needs half a chance and his lethal shots are match winners.

Herman hit the crossbar from close range and blast-

ed another shot just wide of the goal as the Maroons did there fast 15 minute pressure act.

The victory brought up seven games without defeat for the Maroons.

The Res. XI made the total of 14 games without loss as they continued on their unbeaten run.

Billy Kerr made his debut for Altona and proved he has lost none of his ability.

Saxton Melloy and Elthiem all benefited from

his skill; a big improvement was seen in the team.

Collins and Elthiem blocked the way to goals and in no small way have contributed to the long undefeated run.

Next week will see last year's State League side Slavia D play Altona.

This will be another pressure game, there can be no lapse in concentration, every post will have to be a winner or Elwood will have too big a lead to peg back.

Tennis win to Graham Shields

The final day of the Altona Tennis Club Championships last Sunday resulted in great wins for Ron Graham and Helen Shields who emerged as club champions in the "A" grade singles finals.

Graham defeated Greg Findlay in three sets 6-4, 1-6, 6-1. The match was highlighted by some very powerful but never erratic shots.

The first set was game for game until Graham broke Findlay's serve and thus secured the set.

In the next set it was the youthful Findlay who took control and with some great tennis completely caught Graham off guard. At one set it appeared that Findlay would go on and clinch the title.

However, Ron Graham mustered all his energy with his greater experience, came right back into his own and was far too good in the final, outcome.

It was, however, the ladies A grade singles final between Helen Shields and Lesley Hyde which gave most enjoyment.

After a marathon of two hours' superlative play from both girls, Helen won 4-6, 6-2, 6-4. It was a treat to watch.

After losing the opening set, Helen came right back and jumped Lesley to equal the match at one set all. The final set could have been anybody's.

Every game in the third set went to deuce with each player breaking the others serve early on.

However when Helen gained another break to lead 5-4 Lesley was unable to get back and for the second year in a row

Altona's "A" grade ladies' singles went to Helen Shields.

Other matches:

A MEN'S DOUBLES P. Sawyer and W. Thomas d. M. Borcich and J. Trickey 10-7.

A LADIES' DOUBLES H. Shields and S. Keown d. L. and J. Findlay 10-7.

A MIXED DOUBLES W. Thomas and H. Shields d. G. Wood and L. Findlay 10-8.

B MEN'S SINGLES S. Whitecross d. R. Snowling 6-2, 6-2.

B LADIES' SINGLES L. Hyde d. B. Sandilands 6-5, 6-0.

B MEN'S DOUBLES G. Crofts and S. Whitecross d. G. Wood and R. Snowling 8-4.

B LADIES' DOUBLES T. Robertson and L. Hyde d. J. Burke and J. Findlay 8-2.

U16 BOYS' SINGLES S. Whitecross d. G. Crofts 10-6.

U16 GIRLS' SINGLES T. Robertson d. B. Colvin 8-0.

U16 BOYS' DOUBLES G. Crofts and S. Whitecross d. D. Bennett and M. Groves 8-1.

U16 MIXED DOUBLES G. Rowe and T. Robertson d. G. Crofts and B. Colvin 8-6.

Under-19 teams for Sunday:

Section 1 v. Altona, away — P. Orofretchook, G. Wood, I. Colling; S. Keown, L. Hyde, T. Robertson.

Section 2, No. 1 v. Rosamond, at home — A. Smith, A. Findlay, M. Groves; B. Colvin, D. Crofts, M. Keown.

Section 2, No. 2 v. Liston, away — M. Hayes, J. Hayes, B. Murphy; R. Smith, W. Jeffs, N. Colvin, S. Jeffrey.

Section 3 v. St. Monica's, at home — J. Bennett, T. Truman, G. Scott; J. Col-

vin, S. Cartwright, J. Young.

Section IV, No. 1 has a bye.

Section IV, No. 2 v. YMCA, at home — S. Willis, J. Willis, P. Findlay, J. Stracey, A. Kemp, J. Kemp.

Any player unavailable must notify either W. Thomas (398-2092) or G. Findlay (398 1048) as soon as possible.

ALTONA DOWN IN HOCKEY

By 'Loncoln Green'

Altona (1) hockey team were defeated by Camberwell (3) in a hectic game, at Matlock Park, at the weekend.

Camberwell scored in the opening five minutes however Altona were constantly in attack.

At the twenty minute mark Altona were awarded a penalty corner where Ballic took the hand stop and coolly passed the ball to Allan Challis who slammed the ball into the net to make scores level.

Camberwell again rallied to reply with a goal minutes later.

The second half saw Altona pressurising the Camberwell backs into error; Ford and Jock Smith being the agency for many forward moves.

It was an unrewarding effort as the other forwards failed to connect.

Tempers were being strained with several controversial decisions; Umpire Howell halted the game for several minutes to allow players to settle down.

Following this rest, Allan Challis screamed into the circle and dived at the ball, Camberwell's goalie unloaded Challis and the rebound came to Ronald Smith who failed to score.

In the dying minutes of the game play saw only to see Camberwell score again to make the scores 3-1.

Although Altona lost this game it was a credit to these 11 players to put in such a tremendous "never-say-die" effort.

Bob Verity starred in

goals, Jock Smith, a first-year "A" grader controlling the whole tempo of the game and the forward line taking advantage of most opportunities.

For a side that had two injured players and two relegated players, making the total of four new faces to the team to put in such a tremendous performance it was surely a credit to them and the club.

Best: R. Ford, B. Smith, S. Jensen.

D GRADE

Altona played Footscray at Grant Reserve and were defeated 2-0 by a more experienced and determined team.

Jim Studley had his young team working well, but unable to score when in the circle area.

The game was even throughout with Altona always looking a chance.

This D grade team is young and it is quite noticeable that players are following Jim's instructions and moulding into a very good team.

Best: S. Robinson, G. Blunt, E. Hunter.

E GRADE

Altona continued on its "merry" way by downing O.E.G. 2-0, with ever-reliable Cyril Turner turning back attack after attack. The opposition had little chance of scoring.

Cyril was ably supported by Doug Carruthers and Frank Ranger who

shine work harder for their points.

Scores: Sunshine 22 d. Altona North nil.

Scorers: Tries, M. Sigmond 3, B. Stanley 3. Goals; d. Rae 2.

ST. PAUL'S COLLEGE 55 d. WILLIAMSTOWN 6.

St. Paul's completely dominated Williamstown at the Strand, Newport, in an exhibition of fast forward rucking, good ball heeling and penetrating back line running inspired by State U14 player Gil-mour. Despite valiant attempts at tackling Williamstown was unable to stem the tide of tries which flowed with regular monotony over the goal line.

Scores: St. Paul's 55 d. Williamstown 6.

Under 16.

Altona North had a Bye.

The scheduled 7 — A — Side Knock out competition has been postponed to August 7th. The fixtures of August 7th. will be played next Saturday.

Under 12. W/A Thornetts v. St. Paul's at The Strand, Newport 9.00 a.m. Sunshine v. W/A Ramsdens at Footscray at 9.00 a.m.

First newspaper for campers

Believed to be the first publication of its kind in the world, a new newspaper has recently been launched, aimed specifically at camping enthusiasts in all walks of life.

With the same format as a suburban newspaper but containing purely features for outdoor enthusiasts, news of new camping equipment, appetising recipes for campers and hints to make all aspects of camp life safe and comfortable, this new publication has been launched by Your Camping World, a Dandenong company manufacturing camping trailers.

Directors of Your Camping World have, for some time, felt that the camping fraternity was suffering from a sad lack of printed information on the units and equipment available to campers in Australia today and they aim to fill the gap with this new and free publication.

In America and Europe there are scores of magazines offering this information to the public but, so far, Australia has not followed the trend.

They know that Victorians like the feel and format of newspapers and, wishing to be different to overseas, have now

launched a 16-page publication with a touch of color to afford all who want to Go See Australia at low costs an opportunity to do so, after reading all the knowledgeable data available in this newspaper.

If a free copy has not yet been delivered to your home, write to Your Camping World, Cranbourne Road, Dandenong, Vic., 3175, and they will post you one within a few days.

Now launched, this newspaper is expected to be published at least quarterly as a public service and at no cost to its readers.

RE-UNION

Two old Altonians, Mr. and Mrs. E. Erikson, of The Esplanade, left this week for overseas.

They will travel to Norway via England for a family reunion in Risore, a seaside city.

Mr. Erikson, who worked on scallop boats from Williamstown, will see his brothers, who live in America.

Printed and published by George David Gilmore, of 22 Codrington Street, Sandringham, for David Syme & Co. Limited. Head Office, 250 Spencer Street, Melbourne. 60 0421.
